CLASS WILL FILL FAST. Register online through the Indianapolis Public Library

<https://bit.ly/rrp-training>

**ANYONE who** provides renovation or maintenance work for homes, schools, or daycare centers built before 1978, **MUST COMPLETE THIS TRAINING.** The Environmental Protection Agency (EPA) wants your help in preventing lead poisoning in children.

**WHO?** Painters, renovation and repair contractors, building code officials, regulators, residents, parents, landlords, staff working with contractors

*Requirements: Must work or live in the area, be at least 18 years of age, and be available all day. Must understand and read English and have a state-issued photo ID to show proof of residence for EPA. You will be photographed—a requirement for your Certificate after passing your exam.*

**WHEN?** **June 2, 2022 9 am – 6 pm Bring your lunch. Masks are required during class.**  
Includes presentation of modules, hands-on exercises, and a certification exam

**WHERE?** **Indianapolis Public Library Irvington Branch** 5625 E. Washington St., Indianapolis, IN 46219

- Lead-based paint renovation training for residents or service providers;
- Youth Build trainees or other apprentice programs, profit, or non-profit groups; and
- Renovators, painters, window installers, housing maintenance staff, electricians, HVAC specialists, plumbers, floor finishers, as well as landlords who perform any of these tasks;
- Any worker who removes windows or disrupts more than six square feet of paint in pre-1978 homes, schools, daycare centers, even if structures are vacant, must be in compliance.

**WHY?** **It is the law-- without training, you may face fines up to \$37,500 per day.**

- Avoid poisoning children, prevent lawsuits, and stop losing work to certified competitors.
- Protect yourself, your workers, customers, and your children from serious health risks.
- Exposure to lead dust can cause irreversible brain damage in children.
- Attract new customers on EPA website as a **Lead-Safe Certified Renovation Firm.**

**FREE! A limited number of spots are available per EPA grant.**

- U.S. EPA Region 5 Office in Chicago is funding this training.
- Public Health & Safety, Inc. is accredited to teach Lead Renovator Initial Classes.
- The Indianapolis Public Library and IUPUI are helping make this class possible in Indianapolis.
